## COMPANY PROFILE

MOHNAIZT CORPORATION

PRESENTED BY: IMRAN

MOHNAIZT CORP.

LAHORE, PAKISTAN

## **INTRODUCTION**

Mohnaizt Corporation founded in 1989, and has been devoted for the development of golf accessories, golf course equipment, driving range equipment, tee markers, fairways and green's machinery and golf apparels. Mohnaizt Corp. has planned, designed and implemented golf courses Pro-Shops that not only meet our clients' needs, but also exceed their expectations. Some might say our impressive track record is the result of knowledge and experience, and that's true- but it's only part of the story.

We believe successful products like golf accessories also require a committed, long-term partnership. That's why you'll find our company very professional as well versed in the supply as we are in the right business.

While the golf business is rapidly changing, the need for quality products, expert advice, and competitive pricing will always remain constant. Mohnaizt Corporation continues to grow, thus ensuring we can deliver these initiatives.

Hamza Ali Baloch, CEO

MOHNAIZT CORORATION

Details:

- There are two sizes available, 2m and 2.5m.
- It's very easy to use, you can place it in your bedroom.

### Putting Blanket

Model # MC-P-009

### Golf Trolleys

The all new Bag Boy SC - 545 is the new and improved version of the popular Bag Boy SC - 525 push cart for your golf bags. The newest affordable offering in the Bag Boy line, the SC - 545 has a few features that set it apart from the SC - 525, as well as all of the elements that made it a great golf push cart in the first place: like one touch brakes and rust resistant wheels. The biggest improvement over the SC - 525 is the addition of a 12" front wheel, making it much easier for you to get your clubs over uneven or rugged terrain. The non - flat 12" tires of the light weight SC - 545 are of a solid, durable construction and will never go flat while out on the course -- or anywhere else for that matter. This golf push cart naturally has Bag Boy's signature quick-release folding mechanism, and folds up very compactly, fitting easily into the trunk or even the back seat of your car. Should you need it, the wheels are easily removed for even more compact storage.

### Apparel (T-shirts)

Model # MC-HTS-2916

Details:

- All sizes and color are available.
- Can be customized as per requirements.
- Different brands are available.

### Golf Gloves

MODEL # MC- HMZ-5701

Details:

- Golf gloves with different brands and sizes.
- Can be customized (logo only, for branding)

### Golf Grips

Model # MC-GP5020

Details:

- Golf Pride, Kelmac, Training Grips.

All brands are available with different designs. Customized golf bag can be provided as per requirements.

## DRIVING RANGE ACCESSORIES:

### **Golf Mats**

Model # HGM-1117M 3-D mat(plain)  
HGM-1117MR 3-D (with rubber base)

Details:

With an innovation 3-D damping layer installed between nylon artificial turf and elastic foam, this mat absorbs the club head shock to the extreme. The textile damping system consists of a highly elastic polymer, having a density of one million small springs per square meter. Even if the impact on the mat is very extreme, upcoming forces will be absorbed. It is like hitting on air!

### **2-Layer Mats**

Model # MC-GM1224M

Classical mats use the finest nylon turf and great foam base, providing total satisfaction in feel and comfort. They are classical in their construction simplicity, quality constancy and everlasting popularity.

### **Swing Training Mat**

Model # MC-GM1110M

One of the finest teaching aids in the industry! Lines permanently imbedded in the mat aid in teaching the correct swing and stance.

### **Golf Ball Washer**

Model # MC-BW1501

Details:

Combination 5 (contains the following) 778  
- Crank Ball Washer 702 - Pipe 701 - Base  
690 - Club Washer 691 - Club Washer Pole  
Mount 610 - Spike Brush 750 - Litter Basket  
745 - Litter Basket Mount Package

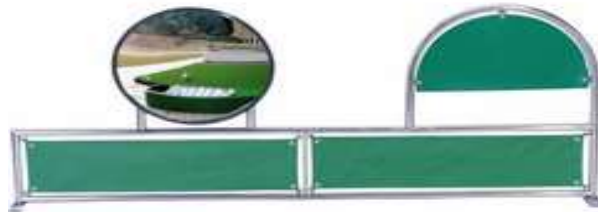

### Tee Divider

Model # MC-TD1406

Details:

Golfer could adjust his swinging poses through this smart convex mirror. Surely it would be a recording device for your range.

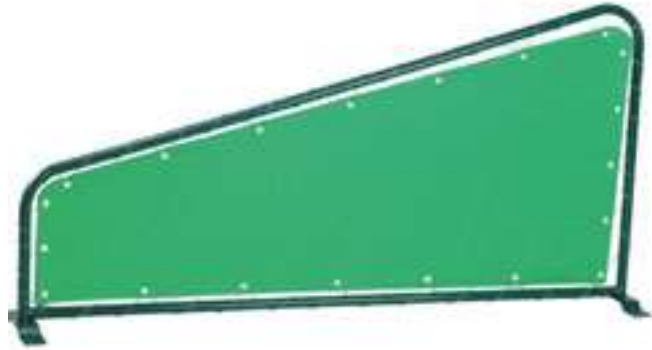

Mohnaizt Corporation.

By adding a specially designed mirror to the tee divider, it makes your driving range look marvelous. Golfer could adjust his swinging poses through this smart convex mirror. Surely it would be a rewarding device for your range.

Mirror Diameter:400mm

Good-looking dual-dub construction. Different shapes of feet available. Can make with normal feet or round feet. Easy branding options.

## Ball Picker

### Hand Powered Ball Picker

Model # MC-BP-1601

Details:

The strength of the tubular steel construction combined with durable composite discs creates a ball picker with unsurpassed reliability. It is easy to push, yet holds over 600 balls. 700mm wide and only weights 29kg. It's great for hard to reach areas around trees, on putting and chipping greens.

### Single Section Ball Picker

Model # MC-BP-1603

Details:

Ideal for lighter ball picking jobs and those hard to reach areas. The picker's ability to back up and turn out of corners increases its productivity while it saves you time. The guide wheel frame is improved for better durability.

## Two-section Ball Picker

Model # MC-BP-1604

Details:

Designed for ranges that demand high performance as well as maneuverability in a ball picker. With 2 meters picking width and 1400 balls capacity, it makes a great combination of efficiency and maneuverability.

Different carts need Different adapters to connect the ball picker. Pictures and dimensions are needed to custom make the adapter.

## Three-section Ball Picker

Model # MC-BP-1605

Details:

This 3 meters wide, 2,100 Ball capacity picker weights only 155kg. Perfect for the medium and large range. Thanks to our honorable customers all around, we have never stopped making development in the lightweight, durability and efficiency of our ball pickers.

## Accessories

Details:

Suits for HBP-1603, 1604 and HBP-1605.

Size: 14"

## Ball picker Basket

Details:

Made of plastic coated wire. A time-saving feature for the ball pickers. Field test prove they are sure catch every time. Suits for HBP-1603, HBP-1604 and HBP-1605 ball pickers. Size : L500xW310xH (Front) 155xH (Back) 280mm; Capacity: 330; Weight : 2.5kg

## Bag Shag

Model # MC-BP-1601B

Details:

Made of heavy duty nylon for water resistance; metal supports prevent ripping. The unique design makes it a must for all practice ranges. 75 balls capacity.

## Auto Tee Server

Model # MC-TS-1204

Details:

Saving your customer's back and speeding up his practice, the Auto Ball Dispenser will be a rewarding device for your customer as well as to your driving range. With infrared sensor to detect the ball area, balls would be placed automatically on the right positions (for iron and wood respectively) timely after the ball being swung away.

Weight 21.6 KG.

## Pedal Tee Server

Model # MC-PTS-1205

Details:

No need of electrical power! Just a slight tap on the trigger, tees will pop up with ball steady on. Try it and let your customers feel the difference. You'll experience an overwhelmingly positive response from all your practicing golfers

### Custom Range Balls

Model # MC-RB-1001

Details:

Custom logos can be printed on all range balls. Three styles (A/B/C) available. Print will be ex-charged.

### Floater Range Balls

Model # MC-RB-1002

Details:

Designed and developed especially for aqua ranges. Two pieces construction with good feel, click and distance. Maintains its floating ability at high or low temperatures.

### Two-Piece Range Ball

Model # MC-RB-1002G

Details:

A top grade Surlyn covered ball developed for constant use at high volume ranges. Maintains its superior appearance and playability after extensive use.

### One-piece Range Balls

Model # MC-RB-1001G

Details:

Designed especially for limited flight on short ranges. Provides a sturdy trajectory and helps you find your best gesture.

### **Ball Box**

Model # MC-BB-1311

### **Staking Crates**

Model # MC-BC-1341

Details:

Made of high density polyethylene. Mesh bottom allows water drains through. Crates of the same size can be stacked for easy storage.

HBC-1341a 400x300x220mm

330 balls capacity

HBC-1341b 600x400x220mm

660 balls capacity

### **Ball Tray**

Model # MC-BT-1301

Details:

Made from glass fiber reinforced plastic; small hole eliminates water buildup; designed to accompany all range mats; Holds up to 100 balls and allows golfer to swiftly roll ball onto the mat with golf club.

HBT-1301B Black

HBT-1301G Blue

### **Ball Container**

Model # MC-BB-1312

Details:

Material: Plastic, Size:L350 \* W270 \* H130mm. Capacity:100balls

## Range Banners

Model # MC-RB-1902, RB-1903

Details:

Each number is printed on a separate flap to enhance anti-hitting durability and simplify maintenance. Frame, cloth and number are all UV treated and all weather proved.

- Range : 70 Km
- Max. Speed : 21 / 32 Km/h
- Min. Turning Radius : 4m
- Climbing capacity : 20% / 25%
- Dimension : 3150x1180x1850mm

#### 4 Seats Electric Golf Buggy GID-4B

- Version: 4KW 48V Version - 3KW 36V Version
- Battery: 8pcs-6pcs 6V210AH Lead acid batteries
- Motor power: 4KW DC Motor-3KW DC Motor
- Controller: Curtis Controller
- Passenger capacity : 4
- Range : 70 Km
- Max. Speed : 21 / 32 Km/h
- Min. Turning Radius : 3m
- Climbing capacity : 20% / 25%
- Dimension : 2500X1180X1750mm

#### 8 Seats Buggies

##### Model # MC-HG-A6WT+2

- Size 4200mm×1180mm×1850mm
- Motor: 48V/3Kw efficient copper-excited motor winding
- Battery: 6 ↑ 8V/145Ah Large-capacity deep cycle battery
- Accelerator: CVT System
- Recharger: Automatic and efficient pulse charger input voltage AC 220V, frequency 50HZ, output DC 48V, Current 25A
- Chassis : High-strength carbon steel welded structure, anti-rust paint phosphate treatment
- BODY : PP" vehicle-specific high-strength engineering materials
- Max speed : 18~24Km/h

### Model # MC-DG-C6+2

- Motor : 48V4KW
- Battery : 8V192AH\*6
- Charger: Switch type smart charger
- Accelerator : Non-contact, continuously variable speed system
- Maximum Speed: 18-24KM/Hour
- Maximum Travel Distance : 100-120KM
- Brakes Performance :  $\leq 4M$
- Slope Climbing Capacity : 25%
- Maximum Noise : 50dB(A)
- Net Weight:340KG(Without batter)
- Carrying Capacity : 600KG

### Model # MC-DFH-GL6+2

- SIZE (LxWxH) mm 3745\*1210\*1840MM
- Passenger Capacity seats 8
- Motor 36V/2.2KW,48V/3KW
- Battery 6pcs\*6v
- Recharger 220v,50HZ,36V/25A
- MAX weight kg 1230
- MAX speed (full load) km/h 25
- Climbing degree (Full load)
- Max Braking distance m  $\leq 3.5$
- Min Turning diameter m  $< 6$
- Charge time h 8~10
- Max distance KM 80-100KM

## 12 Seats Buggy

### Model # MC-T1

- SIZE (LxWxH) , mm 4615x1500x2120mm

- Passenger Capacity seats 12
- Motor 4kw
- Battery :12V/120AH\*10pcs
- Recharger 220v,50HZ,36V/25A
- Controller: 60v
- MAX speed : full load) km/h 25
- Climbing degree % 15-20
- Max Braking distance m  $\leq 3.5$
- Min Turning diameter m  $\leq 6$
- Charge time : 7 hours
- Max distance KM 100-120KM

## 14 Seats Buggy

### Model # MC- HG-B14WT

- SIZE 4920mm×1390mm×2000mm
- Power Standards : 72V/210/5.0Kw
- Standard : Headlamps, turn lamps, rear taillights, rear-view mirror
- Optional items: Vehicle Anti-Yu Lian, a microphone pre-amplifier
- MAX SPEED : 40Km/h
- Driving range : 100Km
- Braking distance :  $\leq 5m$
- Grade ability : 30%
- Maximum Noise :  $< 50Db$
- seats : 14

### Model # MC-LQY1500

- SIZE (L×W×H) mm 4920×1430×1940MM
- Passenger Capacity seats 14
- Motor 5kw
- Battery 72V/190AH
- Recharger: 220v,50HZ,36V/25A
- Controller 60v
- MAX speed (full load) km/h 25
- Climbing degree (Full load) % 18
- Max Braking distance m  $\leq 3.5$
- Min Turning diameter m  $\leq 5.7$
- Charge time: h 8~10
- Max distance : 100-120KM

**Model # MC-EG6158K**

- SEATS 14
- SIZE 4900\*1480\*2050
- driving range  $\geq 100$  (full load) km
- max speed 45 (km/h)
- min turning radius 4.91 (m)
- gradeability  $\geq 25\%$  (full load)

Mohnaizt Corporation.

## GOLF COURSE MACHINERY

### Toro Green Master 1000

The Toro Green master 1000 has earned a legendary reputation for superior greens cutting worldwide. It is the Mower of choice for a lot of prestigious courses. Count on the GM 1000 to cut lower than other brands at the same height of cut setting.

<b>PRODUCT CODE:</b>	<b>GCM-002</b>
<b>PRODUCT ID:</b>	gcm-002
<b>FUEL CAPACITY:</b>	2.64 Quarts
<b>GROUND SPEED:</b>	mowing 1.3 to 3.5 mph
<b>HEIGHT OF CUT:</b>	5/64 inches to 1 inch
<b>WIDTH OF CUT:</b>	21 inch
<b>WEIGHT:</b>	208 lbs.
<b>ENGINE:</b>	Kawasaki 3.7 HP

### John Deer MX5 Rotary Cutter

The MX5, MX6, and MX7 rotary cutters feature a single-spindle configuration. The direction of blade rotation has been engineered to provide optimum cutter performance by maximizing vegetation lift and material distribution. The top deck is domed. Water, grass, and crop debris tend to roll off the deck, reducing water buildup and deck rust. The domed shape and smooth profile of the top deck also makes the deck easier to clean when trash does build up in adverse conditions. The bottom deck is the main defense against rocks and field debris. Therefore, the rear two-thirds of the top deck is continuously protected from impacts and will tend to retain its smooth form. Because the stiffeners are located between the two decks, most of the underside of the bottom deck is perfectly smooth; there are no structural frame members to interrupt airflow. This improves both cutting performance and distribution.

<b>PRODUCT CODE:</b>	<b>JD_MX5</b>
<b>WIDTH OF CUT:</b>	60 inches
<b>HEIGHT OF CUT:</b>	1-9.5 inches
<b>WEIGHT:</b>	823 lbs.

### Toro Flex 21 & Flex 18

No greens mower on the market delivers faster, truer greens than the remarkable Toro® Greens master® Flex 18/21. Its flexible cutting unit mounts on a dual-axis suspension and flexible drive shaft couplers for a full range of motion that follows even the most undulating greens. You'll cut closer than ever before on bent grass, Bermuda grass and newer, ultra-dwarf grasses thanks to this innovative design and a constant bed knife attitude.
